Green Day VI Preparation

Plastic Garden Pots and Gardeners needed for Green Day VI.

It's a new year, and time to recycle some of those garden items sitting around and waiting to be awakened and working again. Two inch (2") and four inch (4") plastic garden pots (washed out) are needed to give a plant a new home. If you have a pot-home with some lonely soil and no resident, we have many hardy small plants for you to just pop into your lonely pot to easily manage (guaranteed easy) until April when we will pick them up.

Another item we are looking for are clean and/or interesting-looking containers for water gardens which are at least 1 gallon – 5 gallon in size. Email kimoment2@hawaiiintel.net, call 595-3135 after 7 p.m., or see **Velma** for any pot or plant donations or questions.

Family Promise Sports Equipment

Do you have volleyballs or basketballs in the garage no longer used by the grandkids? Family Promise needs some newer balls to replace our very tired sports equipment. Also, pumps and needles to keep them inflated. Donations are gratefully accepted by the Missions Committee.

Point in Time Count

Partners in Care (PIC), a coalition of homeless service providers and other organizations whose mission is to end homelessness, is conducting the Point in Time Count of homeless people beginning on **Tuesday, January 22, 2019**. We are seeking volunteers to help conduct surveys of the homeless and provide other support in one of seven regions on Oahu. Volunteers will undergo a mandatory training in January to prepare for the count. If you are interested, want to see the training schedule, or want to learn more about the count or the volunteer experience, visit PIC's website at www.partnersincareoahu.org/point-time-count-oahu. If you have any questions, please contact Jason Kasamoto at 808-208-3712 or Jason.s.kasamoto@hawaii.gov.
