

# *NCC News* January 26, 2020

*A Weekly Newsletter of Nu'uaniu Congregational Church*

## **Annual Congregational Meeting - Today**

The Annual Congregational Meeting will follow the worship service at 10:30 a.m. in the sanctuary. Agenda details were mailed out in the letter of notice. Please pick up a copy of the Annual Report, if you haven't already done so. The Council needs time to set up the sanctuary, so please do not come back in until you hear the bell ring. Note: only active members may vote per NCC By-Laws.

## **Installation of Officers**

We will be installing the church officers during worship next Sunday. Please inform your board chair of your attendance.

## **Stewardship Update**

As of January 1, we received a total of 69 pledges totaling \$218,966. This is a significant decrease from 2019, wherein we had 85 pledges totaling \$237,186, a decrease of 17 pledges and \$18,220. A further breakdown of the figures show:

- Two of those were due to death
- 26 of the pledging units increased their pledges
- 6 of the pledging units decreased their pledge amounts.

We are grateful to those who have committed to continuing our ministry at NCC. If you have not yet submitted your pledge for 2020, it's not too late. Please ask an usher for a pledge card or stop by the church office for one.

## **Shingles Shot**

There are enough folks interested for Longs Drugs to come and administer the shingles shot. As of this printing, the date has not been determined. See Judy Keith if you are interested in having the shot.
